

## YCBA Simultaneous Pairs – EBU support

Normally there are three countywide Simultaneous Pairs events held each year. For many years Stuart Davies organised YCBA Sims along with a myriad of other duties in his role as Tournament Secretary. Stuart has arranged for the EBU to manage most of the processes needed.

- The EBU will generate the deal files and provide a commentary in PDF format
- A club volunteer who is not playing in the event should download these from the EBU
- Deal the boards and print as many copies of the commentaries as their club needs
- Agree a secure procedure for storing the boards and commentaries
- On the night, upload the scores to the EBU website for processing
- We still need a county volunteer to:-
  - Issue prizes and charity donations
  - Maintain the “Victor Ludorum”.

If interested please contact Stuart who can provide more detail as to **how** these tasks are carried out - [stuart@svd1.uk](mailto:stuart@svd1.uk) Tel: 01274 598408
