

Section E - THE YORKSHIRE LEAGUE

League structure and management

1. The league will consist of divisions each containing as near to eight teams as possible. New teams will normally be entered in the lowest division.
2. Two teams will be promoted and two teams relegated from each division unless Rule 2A applies or the Yorkshire League Committee decides otherwise.

2A. This rule applies to a vacancy in any division of the League that arises when a team withdraws from the League or is promoted because a team in a higher division has withdrawn. Any such vacancy or vacancies will be filled for the next season as follows:
One vacancy - one team is relegated from that division and two teams are promoted from the division below
Two vacancies - one team is relegated from that division and three teams are promoted from the division below
Three or more vacancies – no team is relegated and all vacancies are filled by promoting teams from the division below.
3. The winners of Division 1 will be invited to represent Yorkshire in the Garden Cities Trophy teams competition. 50% of the entry fee will be met by the YCBA.
4. The [Management Board](#) has delegated the responsibility for the running of the Yorkshire League to the [League Secretary](#) and the Yorkshire League Committee. The Yorkshire League Committee is responsible for deciding any issue arising that is not specifically provided for in these Rules.

Entries

5. Affiliated clubs may apply to enter as many teams as they wish.
6. On receipt of an entry from a club which had no team in the League in the previous season, and is situated in the general locality served by a club or clubs which had a team in the League in the previous season, the [League Secretary](#) shall consult the club or clubs so affected. In making a decision whether to accept or refuse the entry the Yorkshire League Committee shall have regard to any representations it receives in response to the consultation
7. The Yorkshire League Committee shall have the power to refuse any application for reason(s) which they consider reasonable and proper.

7A. A club with more than one team in the League may at its discretion, by written notice to the League Secretary and the compiler of fixtures, withdraw either or any of its teams without affecting the status of the remaining team or teams. "Status" means the division of the League in which such team or teams would have competed but for the withdrawal.
8. The entry fee will be decided each year by the Management Board

Player eligibility

9. Players may not represent more than one club during any season and must be members of that club.
10. No player shall play in more than one team in matches for which the match date (see rule 15) is the same. The Yorkshire League Committee may, at its discretion, impose on any team violating this rule a fine not exceeding two Victory Points per player.
11. The Yorkshire League Committee may, at its discretion, impose on any team fielding an ineligible player (see [General Rules](#)) a fine of two Victory Points per ineligible player.

Matches

12. Matches shall consist of 32 boards and opponents shall be changed after each set of 8 boards. Rearranged matches may, by agreement between the team captains, consist of 24 boards, in which case opponents shall be changed after each set of 6 boards
13. Teams shall consist of eight players. In the case of sudden illness or other exceptional circumstances, eligible substitutes will be allowed in order that a match may be completed. Details of any such substitute should be given to the [League Secretary](#) in the result notification.
14. Scores shall be announced after each stanza. Each board is scored by adding the four scores achieved by the team and converting that total to International Match Points (IMPs). At the end of the match total IMPs are converted to Victory Points (VPs) on the following scale:-

	32 boards	24 boards
Victory points	IMPs	IMPs
10-10	0-4	0-3
11-9	5-10	4-8
12-8	11-18	9-14
13-7	19-28	15-22
14-6	29-39	23-31
15-5	40-51	32-40
16-4	52-63	41-49
17-3	64-75	50-59
18-2	76-87	60-69
19-1	88-99	70-79
20-0	100+	80+

15. Teams will be placed in the division in accordance with the total VPs gained. If there is a tie between two or more teams, then the tie will be broken in accordance with the [White Book](#).
16. A programme of Match Dates (Sundays) has been drawn up (for the current season's Match Dates, go to the [Home](#) page of the YCBA website and click on Yorkshire League in the left hand panel) and all matches shall be played on or before those dates. No extensions of time will be permitted unless weather conditions prevent the play of a match.
17. Should any match not be played in accordance with the previous rule the [League Secretary](#) shall ask the teams' Match Secretaries to state, within four days, the reasons for the failure to play. At the expiration of this period the Yorkshire League Committee shall, on the information before it, determine which (if either) team is in default. If one team only is in default, then:
- (a) that team receives zero Victory Points for the match,
 - (b) the opposing team receives an award of Victory Points equal to the greater of:

- the average of the number of Victory Points it earned in all its completed matches, or
- the complement of the average number of Victory Points earned by the team in default for all its completed matches

in each case to the nearest whole number and with a fraction of exactly 0.5 rounded up

(c) a provisional award is made, which is adjusted to the final award when all the season's matches have been completed

If the Yorkshire League Committee decides that neither team is in default, or that both teams are in default, the committee shall award the teams such Victory Points as it considers appropriate in the circumstances

18. If a match has to be abandoned after the third stanza has been completed, the match will be deemed to be completed and the result at that point will stand using the VP scale for 24 boards (see rule 14). Otherwise, the match will be resumed at a later date resuming and retaining the score from the end of the last completed stanza. Eligible substitutes for unavailable players are allowed; substitutes are ineligible if they have already played in another League match scheduled to be played on the same match day as the interrupted match under consideration.

19. Home teams are responsible for making all arrangements for playing matches.

20. All matches will commence at 2.00 p.m. unless agreed otherwise.

21. The Home Match Secretary must, not less than 10 days before the designated or agreed date of the match, notify the Away Match Secretary by email or in writing of the venue and telephone number, and the team captain's name and home telephone number.

Notification of results

22. The Home Captain is responsible for notifying the [League Secretary](#) of the result of the match.

23. Results may be sent by:

- email on the match day or the day after, including the result and details of the personnel of each team, or
- first class post sent not later than the day following the match, using the result sheet, which must be signed by both team captains.

If notification by email is chosen, the Home Captain must retain the result sheet, duly completed and signed by both captains, until one month after the final league table has been published, for production to the [League Secretary](#) if so required.

Disputes and appeals

24. If there is an irregularity, the team captains must agree a first instance ruling. Advice on the Laws of Duplicate Bridge may be obtained from the [League Secretary](#) or from any suitably qualified tournament director. (See also the [General Rules](#) and [Who's Who](#) for contact details).

25. If either team wishes to appeal against the first instance ruling, this must be stated in the result notification. A deposit of £30 is payable in advance of consideration of the appeal. The deposit will be refunded so long as the appeal is not considered frivolous. Advice on appeals may be sought from the Appeals Adviser or from any suitably qualified tournament director. (See also the [General Rules](#) and [Who's Who](#) for contact details).
