Notes on Filling out form.

- 1) One Captain needs to be nominated for each team who will be responsible for their own team. This involves scheduling matches if played online, adding any additional players online to their team where changes need to be made during the season and entering the result of each match once it has been played. Guidance and help will be given prior to the start of the first match.
- 2) For each player listed in a team the name and EBU number of the player need to be entered. For the initial league set up each team can contain up to 12 players none of whom can be listed for another club, one of which must be a captain. After the initial setup team captains may amend the team roster by adding players without an upper limit, and players may be listed under more than one club team. If a team requires more than one Captain let me know and I can add the extra captain when setting up the teams. More information about this is given on the EBU website under <https://www.ebu.co.uk/member-wiki/lms:captains>
- 3) Please list teams in order of strength. i.e., Team A should be the strongest team, team B the second strongest etc. This will lead to more matches being competitive.
- 4) Whilst the default time for matches is still 2.00pm some teams may wish to start earlier than 2.00pm. Please indicate on the entry form if you wish to start earlier such that other like-minded teams can contact you in order to arrange an earlier start time.
- 5) The VP scale can be found in the rules for the Face to Face Yorkshire League. Two spreadsheets for teams of 8 over 32 boards "Teams of 8 scoresheet H" and "Teams of 8 scoresheet V" are available on the YCBA website for downloading which have both been adjusted for the new Victory Point Scale.
- 6) Either the word form or the PDF form can be used when replying. If using the PDF then to fill in the form, open it, go to tools (top left of screen) and then select fill and sign.
