Notes on Filling out form.

- 1) **CLUBNAME** on payment reference is the name of your club.
- 2) One Captain needs to be nominated for each team who will be responsible for their own team, together with 2 nominated players, who should be the expected boards 1 and 2 if your team is playing in the first division. The day of week on which the home matches are played on also needs to be specified.
- 3) There is an option to enter a team name Suffix. You may be as creative as you wish. If you wish you can leave your team as it is.
- 4) Either the word form or the PDF form can be used when replying. If using the PDF then to fill in the form, open it, go to tools (top left of screen) and then select fill and sign.
- 5) Safeguarding is all our responsibility. All your captains need to read the safeguarding rules and acknowledge that they have read and understood them . Please indicate upon entry which of your captains have read and understood the rules. For those captains who have not acknowledged at the time of entry please send an email to me copying in Dan Staples as soon as possible stating that these rules have been read and understood. Some matches may not be able to go ahead if captains have not acknowledged these rules so, please inform Dan and myself as soon as possible and in any event before the start of the season.
- 6) Start and end dates before and after Christmas are most relevant for University Teams so if it is not applicable to your club just put N/A. We still have rules in place which avoids fixtures over the Christmas and New Year period.
- 7) Venue requirements are for anything which are pertinent to the venue when playing home matches which the opposition needs to know.
- 8) Other is for anything that you think needs adding which I may have missed. For instance, if you had a team in Division 1 last season and a team in Division 2 and only enter one team, please state which division you wish them to be placed. New teams will enter below the other teams.
