Report from Tournament Committee (NW)

NW reported on the successes of Yorkshire teams in the Northern Bridge League winning all three divisions. However, other counties have had difficulties in recruiting teams and players for the NBL, particularly in the top division.

The TC has recently run successful pilots of a new competition, the Yorkshire Handicapped Pairs, initiated by MD. Heats were held at Keighley and Sheffield. Keighley (16 tables)

attracted a significant number of entries from outside the hosting club but Sheffield (12 tables) had only two external pairs. The Board thanked Simon

NW also outlined plans for forthcoming competitions including the New Year Bonanza (free entry) , the Yorkshire Pairs and Yorkshire Nine High Pairs, and the Harrogate Spring Congress. The Yorkshire Congress has been moved to a new date at the end of June and will return to the Cairn Hotel, Harrogate. It will be organised by Oliver Cowan.
